Travel and Accommodation Information

La Granja de San Ildefonso, Segovia, Spain | September 30 - October 2, 2026
Venue: Parador de La Granja, C. Infantes 3, 40100 Real Sitio de San Ildefonso, Segovia, Spain

There will be buses on Sept 30, leaving Madrid airport at 12pm; and returning to Madrid Airport on October 2 at 14:30 pm. Details to come.

How to reach the venue by public transport

Recommended route from Madrid-Barajas Airport (MAD): take Cercanias commuter rail C-1 or C-10 from Terminal 4 to Madrid Chamartin-Clara Campoamor, then take a high-speed or Avant/AVE service from Madrid Chamartin to Segovia-Guomar. From Segovia-Guomar, continue by urban bus or taxi to Segovia Bus Station, and then take the LINEcar M8 bus towards La Granja/Valsain. Get off at La Granja, preferably at Fábrica de Cristal or Plaza Puerta de la Reina, both within walking distance of the Parador. Please check final schedules before travelling, as train and bus frequencies may vary by day and season.

Alternative route from central Madrid: travel from Madrid-Moncloa bus station to Segovia by Avanza coach, then transfer at Segovia Bus Station to the LINEcar M8 bus towards La Granja/Valsain. This option avoids the transfer from Segovia-Guomar to the bus station and may be more convenient for some travellers.

From Segovia city: LINEcar route M8 connects Segovia Bus Station with La Granja de San Ildefonso and Valsain. The Parador is in the historic centre, a short walk from the main stops in La Granja.

Taxi option: a taxi from Segovia-Guomar or Segovia city centre to La Granja is usually the simplest option for late arrivals, luggage-heavy travel, or missed bus connections. The driving distance from Segovia-Guomar to La Granja is approximately 12 km.

Public transport planning notes for attendees

- Madrid Metro Line 8 connects the airport terminals with Nuevos Ministerios and operates daily, generally from 06:00 to 01:30.
- Cercanias rail to/from Madrid Airport serves Terminal 4. Travellers arriving at terminals T1, T2 or T3 may need the free airport shuttle to T4 or may prefer Metro Line 8.
- Renfe and Avanza tickets should be booked or checked online close to the travel date. LINEcar M8 local bus times should also be checked before departure.
- For international attendees, the easiest planning sequence is: airport arrival time, Madrid-to-Segovia connection, then Segovia-to-La Granja local transfer.

Nearby accommodation options

The options below are listed to help attendees organise their stay. Availability, rates and booking conditions should be checked directly with each property or through the attendee's preferred booking platform. The conference does not endorse any specific hotel.

Accommodation	Address	Distance from venue	Phone	Notes

Travel information: The conference venue is Parador de La Granja, located in the historic centre of La Granja de San Ildefonso, Segovia. The recommended public transport route from Madrid-Barajas Airport is to travel to Madrid Chamartin-Clara Campoamor station, take a train to Segovia-Guomar, and continue to La Granja by local bus or taxi. Travellers may also take an Avanza coach from Madrid-Moncloa to Segovia Bus Station and then connect with the LINEcar M8 bus to La Granja. Attendees are advised to check Renfe, Avanza and LINEcar timetables close to their travel date.

Accommodation: Several hotels and guesthouses are located within walking distance of the venue, including Parador de La Granja, Hotel La Farm, Hostal La Chata, Hotel Isabel de Farnesio and Hotel Roma Restaurante. Additional rural accommodation is available in

La Pradera de Navalhorno, Valsain and nearby areas, but attendees staying outside La Granja should plan local transport or taxis in advance.
